

ION™ & MOLECULE™

The **Complex® ION™ and Molecule™** will help you to relieve pain from stiff or aching muscles and improve your range of motion and flexibility. These self-massage products are compact, portable, lightweight & rechargeable

ION

The **Complex Ion** helps provide relief from sore or stiff muscles by working the deep layers of tissue. Made with industrial-grade materials, this heavy-duty roller will maintain its shape even under extreme weight loads. The sturdy construction along with a premium, textured finish helps provide a stable grip for more control and keeps the roller from drifting during use. Four vibration speeds allow you to tailor the intensity to your specific recovery needs.
